Mobility with Partner Countries

Quality Questions

For each of the previously mentioned Partner Countries (entered either as an origin or destination country), please comment on the following quality aspects:

Relevance of the strategy (30 p)

Explain why the planned mobility project is relevant to the internationalisation strategy of the higher education institutions involved (both in the Programme and Partner Country). Justify the proposed type(s) of mobility (students and/or staff).

Quality of the cooperation arrangements (30 p)

Detail your previous experience of similar projects with higher institutions in this Partner Country, if any, and explain how, for the planned mobility project, responsibilities, roles and tasks will be defined in the inter-institutional Agreement.

Quality of project design and implementation (20 p)

Present the different phases of the mobility project and summarise what partner organisations plan in terms of selection of participants, the support provided to them and the recognition of their mobility period (in particular in the Partner Country).

Impact and dissemination (20 p)

Explain the desired impact of the mobility project on participants, beneficiaries, partner organisations and at local, regional and national levels. Describe the measures which will be taken to disseminate the results of the mobility project at faculty and institution levels, and beyond where applicable, in both the Programme and Partner Countries.

Partner Country A

Partner Country B...

When you answer each of the four quality questions, you will address all types of mobility that you have applied for with a given Partner Country.

The maximum number of characters per field is 2500.

The maximum score is 100 points while min. **70 points pass** (at least 50% must be achieved for each quality criterion).
