

Rules for the use of student houses

1. Placing hand sanitizer near the entrance and placing information in Polish and English on the obligatory use of the hand sanitizer by all persons entering the building.
2. Following social distancing rules, and especially avoiding gatherings.
3. Covering the mouth and nose with a mask in common areas (corridors, halls, staircases, elevators, toilets, kitchens).
4. Introducing restrictions on the maximum number of persons allowed at the same time in public areas, such as a kitchen, toilet, laundry, and recreation rooms.
5. Providing a spare room for isolation equipped with personal protective equipment, sanitizer, and a non-contact thermometer.
6. Informing the residents of student houses about the obligation to report immediately to a student house manager by phone and avoiding common areas in the building in case of symptoms indicating COVID-19.
7. Displaying information on the obligation to follow the rules regarding: hand hygiene; hygiene practices during coughing and sneezing; avoiding touching the mouth, nose, and eyes; avoiding close contact with infected people, especially those with respiratory symptoms.
8. Displaying instructions on washing hands in sanitary rooms, and near hand sanitizer dispensers – instructions on hand disinfection.
9. Displaying necessary phone numbers for the Sanitary and Epidemiological Station and medical service.
10. Providing disinfection equipment and disinfectants, monitoring daily cleaning works, with particular regard to frequent disinfection of high-touch surfaces – handrails, door handles, light switches, handles, flat surfaces, including worktops in kitchens.
11. Providing the employees of student houses with access to personal protective equipment (protective masks, disposable gloves) and hand sanitizers.
