

Free courses and activities at universities across Europe - also online!

Why study at one university, when you can study at multiple! YUFE allows you to build your European curriculum while you continue to study for your degree.

LEARN MORE THAN JUST YOUR ACADEMIC PROGRAMME ›

Young Universities for the Future of Europe (YUFE) are an alliance of multiple young universities across Europe that together offer you an opportunity that goes beyond your degree. As a YUFE student you can enrich your degree and take academic courses, learn new languages and develop professional skills. All this in a cross-border Student Journey, offered to you for free, through which you can shape your learning either by taking courses and activities online or onsite or by combining both. You decide!

CRAZY GOOD FOR YOUR RESUME ›

Enrich your academic degree and join us on the YUFE Student Journey. Pick your own courses offered to you online or onsite from different European partner universities. Broaden your horizon and learn new languages, professional skills and do volunteer work. You can use the YUFE Student Journey as an opportunity to travel abroad or you can take single academic courses online to experience learning at different European universities right from your home. The choice is yours and the great thing is that you can join YUFE in addition to your degree.

“

There are very few opportunities to interact with this many universities at once; having access to their courses and network is priceless.
