

a) Quality of project design and cooperation arrangements

Refer to the arrangements and measures that you foresee for the different phases of the mobility project, including:

- selection of participants,
- the support provided to participants before, during and after the mobility period, measures to ensure full recognition for all participants (students and staff), by your institution, and procedures for debriefing participants after mobility.

max. 3000 characters

b) Relevance of the strategy

Explain how the project cooperation is related to the internationalisation strategy of all higher education institutions involved.

You may refer to the specific type(s) of mobility that you plan to organise, the subject areas, as well as any other specific element about the expected cooperation arrangements with the partner institution.

Detail your previous experience of cooperation with the partner institution. Explain how you expect that this project will contribute to new cooperation in education and/or research in the region.

max. 3000 characters

c) Impact and dissemination

Explain the desired impact of the mobility project on participants, beneficiaries, higher education institutions involved and at local, regional and national levels. Describe the measures which will be taken in your cooperation with the partner institution to disseminate the results of the mobility project at faculty and institution levels, and beyond where applicable.
